

Certified Technicians Seattle, Washington

Market Application Publication

Racor Village Marine (VMT) watermaker customers are pleased to learn of a new factory trained service center in the Puget Sound. Pacific Yacht Management (PYM) installed state of the art VMT watermaker testing equipment at their facility in Salmon Bay near the Seattle Fisherman's Terminal at 2284 West Commodore Way, Seattle, WA 98199. Tel: (206) 285-1449. PYM was trained on factory designed test equipment and also on watermarker installation and service.

PYM is now capable of providing complete membrane and watermaker service to Racor VMT, and other brands of watermakers. This is a huge benefit to mariners in the Puget Sound region, giving them a well equipped and knowledgeable watermaker service team and facility to turn to. As a Certified Technician location, PYM is a preferred choice for marine customers in the Northwest.
