

Certified Technicians Boca Raton

Market Application Publication

Cruisers, sailors, trawlers and sport fish boaters passing thru South Florida on their yearly migration to or from the pristine cruising or fishing grounds can now call on Boundless Outfitters to handle all their watermaker needs. Conveniently located in Boca Raton they can easily provide service to the tri-county area. Tim Allen has 15 years of experience not only working on boats but as a cruising sailor as well. With his cruising knowledge and situational experience he is up to the task.
